

# CertiKool

## Water Soluble Coolant

100% synthetic coolant that lasts longer and cools better

- Reduces heat distortion and tool burning
- Lasts longer
- Specially formulated for hard water areas
- Dilutes up to 25 parts water for added economy  
1: 20 for cutting and 1: 25 for grinding

## FEATURES AND BENEFITS

---

### LONG-LASTING

CertiKool will not gum and smoke. Mixture remains stable under extreme pressure and keeps working longer than oil coolants.

### POWERFUL

CertiKool remains clear at any dilution for better finishes, cleaner cutting with fewer rejects.

### SAFE TO USE

CertiKool doesn't contain acids, which reduces skin irritation, dermatitis and rancidity.

### BIO STABLE

CertiKool is bio stable and does not emit toxic fumes. It is non-inflammable.

# CertiKool

Water Soluble Coolant

## AREAS OF APPLICATION

- Engines
- Turbines
- Generators
- Drilling and Cutting machines

## TECHNICAL SPECIFICATIONS

|                  |               |
|------------------|---------------|
| Flash Point      | Non-flammable |
| Water Solubility | Complete      |
| pH (100%)        | 8.5-9.5       |

## PRECAUTIONS

- Keep out of reach of children
- For more information, consult the product label
